Had a Rib Broken.

Zol Davis was up from Joplin this
week to look after his farm property
and while here underwent an experience
he will not care to repeat. In attempt-
ing to hold a team of frightened mules
he had just helped to unhitch he was
thrown on a pile of fence posts and sus-
tained several severe injuries, including
the breaking of a rib and the bruising
of a knee cap. Dr. Schooler, who at-
tended him, thinks it will be some time
before he can be about again as usual.

A Memorable Day.

One of the days we remember with
pleasure, as well as with profit to our
health, is the one on which we became
acquainted with Dr. King's New Life
Pills, the painless purifiers that cure
headache and biliousness, and keep the
bowels right. 2c at Wynn Bros.
